

At PwC Greece, we believe change is the new constant. An enterprise's ability to innovate, adopt new technology and disrupt the status quo is a core capability needed to thrive. We support and guide clients to disrupt their existing business models. Innovative mindsets and human ingenuity are always welcome. This is why we are looking for you.

### **Are you ready to deep dive in the Assurance sector?**

If you are a problem solver with motivation to learn, someone willing to collaborate with different teams across PwC Greece, a good communicator with high emotional intelligence and someone willing to take ownership beyond the obvious, then you are the one!

If you are committed to excellence in client service and passionate about how technology could be an enabler in our digital world, then you are the one!

Be part of our Assurance Graduate Program to work with the best Assurance teams and grow your career in the global leading professional services firm in Greece. You will be coached by top professionals to gain valuable insights and understand how client's business works. You will have the opportunity to develop unique and diversified skills through high scale projects.

### **Kick off your career with us in Core Audit, Digital Assurance Hub or Broader Assurance Services**

- **Core Audit**

At PwC, we provide high-quality audit services to our clients. Our detailed understanding of relevant regulations and legislation drives us to effectively assist our clients with complex reporting and accounting issues involving application of GAAP, or other frameworks such as Sarbanes-Oxley for SEC registered companies.

- **Digital Assurance Hub**

As digitalization and technology gains increasing significance to today's business, our Digital Assurance Hub Team is here to play a pivotal role in providing assurance to our clients in their digital journey. Are you an authentic and persuasive spirit with a holistic and digital mindset who can not only leverage their own expertise but also inspire and empower people to give their best.

- **Broader Assurance Services**

The Broader Assurance Services (BAS) are industry-focused, continuously evolving Assurance services that bring value to our clients through the delivery of quality solutions beyond the traditional audit lines we are known for. You will be part of a team which combines professionals with different backgrounds, capabilities and skill sets that extends from financial and non-financial reporting experts to risk assurance specialists. You can expect to be involved in a variety of interesting and cutting edge projects that include, but are not limited to, Accounting Advisory Services, Capital Markets, ESG Assurance & Reporting, Risk Assurance Services and Corporate Governance. Our

proactive and innovative approach allows us to provide value-added services by helping our clients improve transparency, governance accountability, financial performance and return.

### What are we looking for

- BSc or MSc Degree (more details at the separate job descriptions)
- 0-2 years of working experience
- Excellent organizational skills with a keen eye for detail
- Confident and positive attitude
- Commitment to providing excellent quality work and building client relationships
- Communicate confidently in a clear, concise and articulate manner - verbally and in materials produced
- Advanced level of critical thinking & judgment
- Tech Savvy and digital skills to be part of the Assurance transformation to digitisation
- Fluency in both Greek and English
- Military obligations fulfilled

### What's in it for you

At PwC is all about people, encouraging high performance and quality work.

Being part of our team includes:

Hybrid working model

Competitive total compensation package

Health and life insurance

Dress for the day - wear what makes you feel comfortable and dress for your day

Company mobile phone and laptop

Extra days of annual leave

Wellness Initiatives like gym sessions & nutritionist

♂ Actions Teams eligible to participate (e.g. Running, Trekking)

Career development opportunities & continuous training whilst learning from a wide range of top professionals and through tailor made training programmes

Global mobility opportunities

If you're looking for a team that values your work and solves meaningful problems, apply now!

Please note that all well being benefits mentioned above are subject to annual review.

We believe the best work is human-led and tech-powered. If you're keen to apply and need reasonable adjustments or would like to note which pronouns you use at any point in the application or interview process, please let us know.
