

Research Economist

PwC in Greece is the largest professional services firm in the country, with premises in Athens and Thessaloniki and approximately 900 employees. More than 223,000 people in 157 countries across our network share their thinking, experience and solutions to develop fresh perspectives and practical advice. This enables us to provide top-quality industry-focused **assurance, tax and advisory services** to our clients.

Due to the continued growth of our practice we are now recruiting a **Research Economist** for our **team** in Athens.

The role entails:

- Macroeconomic analysis, financial markets & company research
- Researching, analyzing, interpreting, and gathering financial data
- Writing various technical reports/presentations on macroeconomic trends/ sector analysis serving for company's thought leadership
- Creating and using various econometric modelling techniques to evaluate trends and develop forecasts
- Conducting in depth econometric and macroeconomic analysis
- Devising methods and procedures for obtaining data
- Preparing targeted industry and company analysis

The successful candidate should have:

- Excellent academic records from a Greek or foreign university with background in Economics or similar quantitative discipline
- Post-graduate degree in Economics, Econometrics or similar quantitative discipline
- 1-3 years prior work experience in economic research or department, or related field
- High level of efficiency in econometrical programs in Excel
- Excellent research and analytical skills including the ability to analyse relevant data to make sound judgements
- Highly numerate, with strong track record in developing/implementing complex spreadsheet models

- Ability to work under pressure and meet tight deadlines
- A confident and positive attitude, focused on teamwork and communication with colleagues and clients
- Commitment to providing high quality deliverable and building strong working relationships with clients and colleagues
- Ability to express ideas verbally and in writing, in a clear, concise and professional manner, both in English and Greek
- Military services fulfilled for male candidates
