

Java Developer (JAD1702)

<http://www.eworx.gr/?i=eworx.en.careers.406>

The successful candidate will be part of a talented software team that works on the development and evolutive maintenance of our clients' web applications. S/he will be responsible for Java/Java EE application development while providing expertise in the full software development lifecycle, from technical architecture to functional testing.

Typical Responsibilities

- ☉ Develops, and implements web-based Java applications to support business requirements and support requests.
- ☉ Follows approved life cycle methodologies and performs program coding and testing.
- ☉ Resolves technical issues through debugging, research, and investigation.
- ☉ Familiar with standard concepts, practices, and procedures.
- ☉ Ability to work autonomously (as part of a larger team) to investigate a given codebase, identify the root cause and propose, develop and test a stable technical solution.

Requirements

- ☉ BSc and/or MSc degree in Computer Science, Engineering or a related subject.
- ☉ Proven hands-on Java web development experience with more than 2 years of professional experience.
- ☉ Object Oriented analysis and design using common design patterns.
- ☉ Insight of Java and JEE internals (Classloading, Memory Management, Transaction management, etc).
- ☉ Excellent knowledge of Relational Databases, SQL and ORM technologies (JPA2, Hibernate).
- ☉ Experience in developing web applications using at least one popular web framework (e.g. JSF, Wicket, GWT, Spring MVC (Dependency Injection Mechanism) will be considered a plus).
- ☉ Experience with test-driven development (Mockito framework experience is a plus).
- ☉ Experience with Javascript development.

The following will be considered a plus:

- ☉ Experience with Agile Development Methodologies (SCRUM, LEAN, KANBAN)
- ☉ Semantic web related technologies (e.g. XML/RDF, SPARQL).
- ☉ XML related technologies (e.g. XQUERY,XSLT).
- ☉ Angular JS.
- ☉ Familiarisation with Docker, Automation servers (e.g Jenkins)

Benefits

- ☉ Competitive salary.
- ☉ Opportunity to work in high-profile, international projects.
- ☉ Continuous education and knowledge exchange.
- ☉ Friendly and stimulating environment.
- ☉ Career path.

About EWORX

EWORX S.A. is a privately held company that was established in Athens in 2001 and has offices both in Athens and Brussels. EWORX offers communication, creative design, web/software development and digital consultancy services leveraging on the convergence of electronic media and the growing need for innovative solutions to organizational and corporate challenges in the digital age. EWORX's website can be found at <http://www.eworx.gr>– where an indication of the work undertaken by the company in the last years can be found.

Are you creative, talented, passionate? Do you code or design in your dreams and want to change the world? If yes, then, you should probably try to join the EWORX family.
