

Stone Group International is the No 1 Group of marble Companies in Greece and ranks among the 10 largest in Europe, with own Quarries and three factories in Northern Greece (Thessaloniki, Drama, Veria). Our “raison d’ etre” has always been our industrial excellency and our people. Being an ambassador of Greek White Marble and entrepreneurship in 85 countries worldwide, we are looking for a passionate and ambitious professional, to cover the position of Production Supervisor (PS.01), as part of our Team.

Description

The Production Supervisor must possess the desire and ability to provide leadership and supervisory coordination in all aspects of production, maintain a high level of productivity and continuous improvement with the assigned shift in the areas of safety, reliability, cost savings, team building and personnel management.

Knowledge, Skills and Abilities

- University or Technical (TEI) degree in Engineering, Electrical, Mechanical, or Manufacturing Engineering
- Preferred: 5-7 years’ progressive experience in a manufacturing environment or equivalent with a focus on engineering and production
- Computer skills are an asset

Essential Duties and Responsibilities

- Effectively motivate, train and communicate with their assigned shift teams to assure superior levels of safety, reliability, sanitation, and quality
- Have the ability to work with the Engineering and Quality Assurance staff to create a cooperative environment on their assigned shift
- Develop an expert knowledge of the production process and all associated equipment
- Be able to analytically and systematically troubleshoot manufacturing issues and develop the team to be self-directed in the same activities
- Be able to perform daily checks and reports to ensure the highest quality of product delivered
- Maintain shift performance and quality documentation.
- Ensure production schedules and quality requirements are met

The company offers a competitive remuneration and benefits package, outstanding career development training and advancement prospects within a dynamic organization, as well as the conditions to express and develop both expertise and business development capabilities, in a multi-disciplinary and rewarding work environment.

If you are interested in working with us in the Production environment, we look forward to receiving your application. Please send your CV and Cover letter mentioning “**Production Supervisor (PS.01)**”, in the subject, to: hr@stonegroup.gr.

Deadline for receiving applications is **May 30, 2017**

All applications are considered strictly confidential and will be replied.
